

# Be The *First* Thing Our Readers See!

The **Washington Suburban Press Network** will distribute your advertising message on the bag that carries our newspapers. Bagvertising is a visible vehicle that creates top of mind awareness and provides the benefit of having no competing messages. An ideal way to promote any product or service while increasing brand awareness. The uses for poly bags are without limit! Our bags protect our papers and supply our readers with a strong, clear message in any weather.
